RITE OF PASSAGE'S last two starts have been good. He lost a length at the start last time, but stayed on well at the finish. It must be noted that the form of that race has been franked. The son of Trippi does not meet the strongest field and with Anton Marcus in the saddle, he should take a power of beating. GO SANDALS produced a promising debut effort over this distance on the polytrack. He stayed on well at the finish that day and would have gained from the experience. The son of Jay Peg would have strengthened up during his time off the track and if not in need of this outing, he should improve. CAFE PACIFICA ran a fair race on debut over this distance at Hollywoodbets Scottsville. It must be noted that the form of that race has been franked. The son of Capetown Noir would have come on with the run under his belt and should make the natural progression. DROGARATI was in need of his debut effort over this distance on the polytrack. The son of Wylie Hall may be better suited to the turf and should have improvement to come in this type of field.
