CROWN TOWERS finished just over 3 lengths behind Golden Ducat in the Grade 1 Champions Cup last time. He set the pace that day, but did not quite go on with his effort. The son of Camelot takes a big drop in class today and with Anton Marcus in the saddle, he should take a power of beating. DUC D'ORANGE'S last three starts under Jason Gates have been good. He set the pace last time, but was outrun in the latter stages. If seeing out the extra distance on offer today, he should be hard to peg back in the run down to the wire. SWORDE STREET followed up his maiden win with a decent third-place finish over nine furlongs. It must be noted that the form of that race has been franked. He takes on stronger, but is lightly raced and looks to have scope. He carries just 52.5kgs on his back and must be included in all bets. AMERICAN INDIAN makes his stable debut for the Garth Puller yard. He comes into the race with some decent form to his credit. Luke Ferraris knows him well and if suited to the track, he can run into the money.
