ALFREDO should have finished closer to the winner last time as he was carried inwards from the 350m mark. It must be noted that the form of that race has been franked. The run that catches the eye is when finishing second over this C&D, three runs ago. Anton Marcus takes the ride and he may be able to coax that little bit extra out of the son of Master Of My Fate in the closing stages. LIGHTENING SPIRIT'S last three starts have been decent. He should have finished closer last time as he hung up the straight. It must be noted that the form of that race has been franked. Should the top choice fluff his lines, he may be the one to pick up the pieces. MONTANA SKY has good recent form to his name. He raced wide around the turn last time, hung in the straight but stayed on well. Apprentice Jeffrey Syster takes the 1.5kgs off his back today which should help his cause. MURPHY'S STATION has shown improvement since the fitting of the ear-muffs. This is not the strongest line-up and can earn a cheque if switching off in the early stages.
