TOP SALUTE took on stronger in her last start over this C&D. She set the pace that day, but lacked a finish in the closing stages. She finished 1.2 lengths behind NOT NOW PUSSYCAT last time and is 1.5kgs better off at the weights. That should be enough for the tables to be turned and she jumps from a much better barrier position. She has won three times, finished second twice and third once from 12 starts over this distance. She is likely to race up with the pace and may be hard to peg back in the run down to the line. NOT NOW PUSSYCAT was unlucky not to have won her last start over this C&D. She meets a similar type of field today and if getting a run, she should be involved in the fight to the finish. JOYFUL WINTER was running on well in her last start. She has won once and finished third twice from six starts over this C&D. The daughter of What A Winter must be included in all bets if getting a run. FORT ROYAL has not finished too far off the winner in recent outings. She raced from a handy position last time and stayed on well at the finish. Anton Marcus retains the ride which is encouraging.
